

# JASPER COURIER.

T. S. H. PARVIN, Advertising and Collecting Agent, No. 89 West Penn St., is our agent at Cincinnati.

MR. JACOB HUNNASS, Esq., is our agent for this county.

## Job Printing.

We are prepared to give prompt attention to all kinds of Job or Book printing. Any description of blanks, receipts, bill heads, state, station or check bills can be forthcoming on the shortest notice, in the most approved style, and on reasonable terms.

## Central Committee Meeting.

We are requested to announce that the Democratic Central Committee of Dubois county will meet at the court house in Jasper, on the first Monday in June, for the purpose of effecting a more thorough organization, appointing a county convention, and attending to whatever other business the political interests of the county may demand. The following named persons compose the central committee:

From Penn Township—Andrew R. Spradley, Henry Bauer and Maria E. Myers.

Bainbridge—Jacob Herren, E. R. Livingston, and John Heisinger.

Harrison—Thomas P. Hope, Andrew Able, and Samuel White.

Columbia—R. M. Davis, Lucy Case and Harvey Nicholson.

Hill—Thomas Shoulder, Joseph Strigle and Jacob Allie.

Ferdinand—John E. Gehman, Fred Nadeck, and D. M. Kemp.

## To Contributors.

As our design is to make our paper one that will be of interest to all engaged in the different departments of active industry in every part of the country, we respectfully solicit the co-operation of our intelligent citizens throughout its ranks. And being especially desirous of promoting the farming interests of Dubois, items in any department of agriculture are particularly solicited. Please send us all the news, incidents, general information, and mineral discoveries in your respective neighborhoods.

**GRATIS Notices.**—We publish notices of marriages, deaths, &c., gratis, and would like to reward all who enter in the county. Ministers, or others, who officiate on such occasions, will confer a favor by sending us a notice immediately.

MR. THOMAS HARRIS was convicted to the penitentiary at the recent term of the Circuit Court in Indiana County.

## Vacancies Sought.

Not quite so hot, Mr. Greene. This is certainly hyperbole with a vengeance. Take off twelve from this list and you have the correct number. But one person was sent to the penitentiary from this county at the last Circuit Court, and that one but for a short term. He is the only ex-convict that has been sent from Dubois county for five years. Ours is decidedly a fast age!

**AREAS.**—The stock of dry goods of Messrs. Bonner, of Hayville, was sold at Sheriff sale, at the court house door, during the first of this week.—The articles generally brought tolerably fair prices. Nearly everybody and their wives got a portion.

**ATTENTION** is directed to the notice of survey of land, in another column of to day's paper.

MR. The report of the conference committee on the Kansas question seems to have thrown everybody in and out of Congress, into utter confusion. Even the members of Congress, convenient as they are with the whole question, do not understand it, but are clamoring for time to look into the positions of the bill. The Republicans are afraid that it will heal differences among the Democracy of the North. The Know Nothings of the South are afraid that by it the Democrats will continue to triumph there. The true patriots of the country, however, are beginning to discover that in this plan of mutual concession, peace and harmony will be restored to the Democratic party—a party that has always maintained the integrity of the constitution and the Union, and to which alone the country must always look for safety.—S. A. L. D.

### Arthur's Home Magazine.

Edited by T. S. ARTHUR and VIRGINIA T. LOUSSAULT. For choice and elegant literature, high moral tone, peculiar adaptation to the home circle of our land, freshness, originality and cheapness, this Magazine is acknowledged, on all hands, to be without a rival. It is equal in the beauty of its typography and the richness of its embellishments to the most ambitious and dearest of our Magazines, while it claims to lead all of them in many essential features. For correctness and exquisite beauty, its colored steel finished plates were unrivaled in 1855. They will sustain this superiority in 1858. Volume XI begins in January.

**TAXES**—\$2 a year in advance. Four copies for \$6, twelve copies for \$15, and one extra for the sum up of the club.

Specimens sent free to all who wish to subscribe or to make up clubs. Address T. S. Arthur & Co., 103, Walnut street, Philadelphia.

## Latest from Washington.

WASHINGTON, April 23.

House.—At one o'clock, on motion of Mr. English, the committee rose, when he made a report from the Committee of Conference on the Kansas bill. It is signed by Messrs. English and Stephens on the part of the House, and Messrs. Green and Hunter on the part of the Senate.

Messrs. Seward and Howard dissented. The report was received. The report provides for the admission of Kansas under the Lecompton Constitution, dependent on the acceptance of the ordinance submitted. If rejected, provision is made for the formation of a new constitution.

WASHINGTON, April 24.

The Democratic senators have unanimously determined to sustain the report and the bill, with the exception of Messrs. Douglas, Stuart, and Breckinridge, who are still inclined against the measure.

WASHINGTON, April 25.

The chairman of the committee of ways and means will shortly introduce a proposal about the meeting of the next session of Congress on the first Monday of November, being of opinion that it will then be necessary to modify the tariff and revenue system. There is but little if any doubt that the Administration will soon ask the authorization of a loan of thirty millions of dollars, to be applied in part to the redemption of the Treasury notes.

The friends of the new Kansas measure are entirely sanguine of its success during the present week. Douglas, Stuart, and Breckinridge are not only opposed to it, but are actively endeavoring to effect its defeat.
